

**Electoral Commission for Sierra Leone (ECSL)**  
**OAU Drive, Tower Hill, Freetown**

**18 JUNE 2024**

**PRESS RELEASE**

This is to inform the public that to date, 48,229 e-vouchers have been issued to ad-hoc polling staff contracted by ECSL for the conduct of 2023 multi-tier elections.

A total of 34,164 ad-hoc personnel have already claimed payment by the initial deadline in March 2024.

However, more than 14,000 persons are yet to claim payment. ECSL, in partnership with LINDP, has contracted the services of Africell to complete all payment by 21 June 2024.

Africell has sent SMS to ad-hoc staff with instructions on how to claim payments including individual e-voucher codes. The Ad-hoc staff are encouraged to bring along their phones with SMS received, and a valid government issued ID (national identity card, voter ID card, driver's license, passport, etc.) to be used in confirming their details.

The Commission appreciates all ad-hoc polling staff for their service, cooperation, and patience throughout this process.
